

Architects and Designers

LLB Architects is an award-winning mid-sized firm, recognized as an AIA New England Emerging Professional Friendly Firm, with offices in Pawtucket, RI, and Worcester, MA. We design a wide range of projects including higher education, laboratories, K-12 schools, adaptive reuse, libraries, and civic buildings.

We are always looking to add talented, experienced architects, aspiring architects, and designers to our team.

Responsibilities:

- Create plans and drawings which clearly outline architectural design of project
- Utilize knowledge of engineering, math, science and materials in order to create ideal finished product
- Conduct site evaluations to ensure quality of work and adherence to safety standards
- Oversee and make recommendations throughout entire construction process
- Collaborate with various teams in order to establish goals, schedules and budgets

Qualifications:

- A professional design degree
- Proficiency with Autodesk Revit and AutoCAD modeling software
- Excellent written and graphic communication skills
- A sincere interest in working in a highly collaborative environment
- Construction document detailing experience
- Proficiency with Adobe CS Design Suite is a plus

We offer competitive salaries commensurate with experience and excellent benefits, including health and dental coverage, flex spending, and a 401K plan. **We offer a signing bonus for direct applicants.**
